

THE TRIUMPH OF THE IMMACULATE HEART

Episode 7

Summary

We live in the most spiritually significant age in human history with the exception of the Incarnation of Christ. Our God continues to actively intervene even in our day. Many theologians, and even a Pope, have categorized our time as, "The Age of Mary." For the past 200 years, God has sent his greatest prophet, greatest Saint, the Queen of Heaven, his own mother down to earth with a prophetic message, a word from Heaven. She has appeared more times and in more places than any other age in salvation history. Our world has big, scary, and complicated problems. Our God has simple, yet powerful and definitive solutions. Jesus is the way, the truth and the life. God is calling. May our lives become evidence of the Resurrection and proof of Pentecost!
